**Tupy's Mexican Restaurant Coming To The Shops at Starwood Summer 2010**

A Dallas landmark and 63 years of Tex Mex tradition, Tupinamba's is coming to Frisco at The Shops at Starwood this summer. Frisco diners will find the same quality and traditional recipes of Tupinamba's at this new location which will be named **Tupy's** - a nod to the original location and youthful play on words which reflects this location's contemporary look. Owner, Jeff Dominguez is the grandson of Tupinamba's founder bringing three generations of experience to Frisco. It is generally believed that both Tex Mex style nachos and the sour cream enchilada were introduced to Dallas by the Dominguez family. Tupy's will include a family-friendly full service dining room, bar and outdoor patio. For more information, visit [www.tupinambarestaurant.com](http://www.tupinambarestaurant.com).
